Work Experience

Rental & Service Technician

Alpia Sport - Winter Season 2019-Present

- Interacted with customers from diverse backgrounds and languages in a customer-facing environment.
- Utilised a booking system to facilitate transactions and maintain a customer database.
- Operated and maintained a variety of machinery and equipment.
- Employed expert techniques to ensure the precise and efficient repair of customer equipment.

Garten Help & Labourer

G.Bucher Gartenbau - Summer Season 2020-Present

As a skilled labourer, I contributed to the success of a small landscape gardening firm in Grindelwald, I oversaw the following responsibilities:

- Operated heavy machinery, such as diggers and farm vehicles, to ensure efficient project completion.
- Managed and supervised colleagues' project work, serving as the primary point of contact for the company owner.
- Made critical decisions to ensure project deadlines were met and quality standards were maintained.
- Maintained detailed daily work reports and material lists to support future invoicing.

Barista/ Cook

Airtime Café - 2018-2019

- Maintaining high standards for all food cooked and cakes baked.
- Manage time to ensure the cake display was never empty and preparation for following days was complete.
- Create an enjoyable relaxing atmosphere for customers

Personal

Project Creator

Gone For Milk (non-profit) 2017-2019

From 2017 to 2019, I created and managed a small non-profit called Gone For Milk. The project involved creating and maintaining an ecommerce site, building a social media presence, designing eco-conscious merchandise, managing suppliers, and marketing and selling the products. The profits were used to financially support plastic-free organisations around the world.

More information about the now inactive project and its reach can be found at:

Interests

In my free time, I enjoy coding and have completed free online courses to accompany my diploma. I also assist my fellow students in resolving coding issues in our Slack channels. When I'm not coding, I pursue my passion for mountaineering, climbing, and running in the mountains. In the winter, I enjoy ice climbing and ski mountaineering.

Languages

English - Native

German - A2 (Currently enrolled in an online course)
